Bible Study: The Story of Lazarus*

Thursdays in June, 10 am - 12 pm

The resurrection of Lazarus has a lot to teach us about God's love and care for us in our darkest seasons. What do we do when Jesus does not show up when or how we expect Him?

When the unthinkable happens and it feels like God has abandoned or forgotten us, where do we go from there? What you might see as the end of a story could actually be the beginning of something that you have not even imagined.

Join us for this 5-week study as we dive deep into the story of Lazarus's death and resurrection and how God used it for our good and His glory. This greatest recorded miracle of Jesus became the tipping domino in a chain reaction that culminated in the ultimate act of redemption - Jesus' own resurrection from the dead.
